

GRE Schedule - Verbal and Quants

Date	Class	Topic
	Verbal CR(V1)	Claims & Evidences Flaws All (but inference, id reasoning and resolve & explain)argument question types
	Quant Essentials (Q1)	Lesson-1 & 2(except Exponents & Roots)
	V1.2	AWA-Issue Essay &Argument Essay
	Q1.2	Exponents & Roots + Lesson-3
	V1.3	SE Basics+TC Basics
	Q1.3	Lesson-5
	V1.4	SE Advanced Clues-+TC Advanced clues-Drills-1-5 only(out of 10)
	Q1.4	Lesson-6
	BREAK	Do TEST 2 ON STUDENT PORTALand submit scores.
	V2.2	RC Intro,Basic Approach,Main idea&purpose questions
	Q2.2	Lesson-4
	V2.3	RC Specific Questions & Complex questions
	Q2.3	Lesson-7
	V2.4	RC Long passages + inference, id reasoning and resolve & explain
	Q2.4	Supplement - Miscellaneous topics

Home Work Verbal

Class	MANUAL, ONLINE, SUPPLEMENT, OG HOMEWORK
Verbal CR(V1)	<p>Supplement home work: Remaining Argument questions from pgs 16-21-, Weakening,Strengthening &Assumption</p> <p>SP Drills Class Two--> Verbal--> After</p> <p>Argument patterns: Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Assumption,Weaken, & Strengthen: Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p>
V1.2	<p>Write an issue essay and submit for review. Write an argument essay and submit for review. Vocabulary hw-Flash cards-pages 3,4,5.</p>
V1.3	<p>SUPPLEMENT HOME WORK: Remaining questions on Sentence Equivalence-pgs. 1-5,Drills 1-3 Drill 4-pgs.5-7-Qs. 1-10</p> <p>Text Completion Questions 1)Pg. 8-9-remaining questions(single blank) 2) pgs. 53-55-two blanks-Q. 5-20; 3)pgs. 58-60-three blanks-Qs. 1-10</p> <p>SP drills Class One--> Verbal--> After Sentence Equivalence drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p>
V1.4	<p>SE Advanced clues-Remaining questions in Manual-Qs.6-10 Text Completion: Advanced Clues in Manual-Qs. 6-10</p> <p>Supplement - SE Harder questions 65-66.-remaining questions</p> <p>Online Drills -->Class Five-->Verbal--> After Sentence Equivalence- Advanced Clues Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Text Completion-Advanced clues Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Vocabulary-Flashcards-Remaining words</p>

V2.2	<p>Manual - Page 122-126</p> <p>SP Drills Class Three--> Verbal--> After Reading Comprehension: Main idea &Primary purpose questions</p> <p>Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level Vocab hw-Flashcards-13,1514</p>
V2.3	<p>Supplement Homework Pg 36 (drill at bottom of page - identify subject, task of question) Pg 37 (find proof from passage match) Pg 38 qs 1-3 (choose best paraphrase)</p> <p>OG Homework: Pgs 60-62</p> <p>SP Drills : Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level in each of the following</p> <p>Class Four:--> Verbal--> After (i) Reading Comprehension: Retrieval & Inference (ii)Reading Comprehension: Specific purpose Questions (iii)Reading Comprehension: Vocab in Context</p> <p>Class Six--> Verbal--> After (iv) Structure & Argument Style</p> <p>Vocab hw-Flashcards-18,19,20</p>
V2.4	<p>Supplement-Remaining argument questions-pgs 24-34</p> <p>SP Drills -->Class Seven-->Verbal--> After Arguments;ld & Resolve &explain; Inference Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Class Six--> Verbal--> After (iv) Structure & Argument Style</p>

Home Work verbal and Quants

<p>Quant Essentials (Q1)</p>	<p>Supplement Home-work FUNDAMENTALS Lesson 1 (except Inequalities) Lesson 2(HPI & PITA only)-No Exponents & Venn Diagrams-Group Grids</p> <p>Online Homework SP Drills:</p> <p>Class One--> Math--> After Plugging In Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>QC Plugging In Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Keep Plugging Away Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Class Two--> Math--> After PITA Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Hidden Plug In Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Online Prework: Class Two--> Math--> Before Class Three--> Math--> Before</p>
<p>Q1.2</p>	<p>Supplement Home-work Lesson 2 remaining (except Venn Diagram & Group Grids) Lesson 3 (except Mixtures)</p> <p>OG Home work: Tips for Answering from the OG Page 114,121,122,125 128,135, 138, 139</p> <p>Online Homework SP Drills</p> <p>Class Two--> Math--> After Exponents Rules Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Root Rules Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Class Three--> Math--> After Percents and Percent Change Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Proportions Drills</p>

	<p>Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Averages Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Medians and Modes Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Rates Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Ratios Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Online Prework Class Five--> Math--> Before</p>
Q1.3	<p>Supplement Home-work Lesson 1 (Inequalities) Lesson 5</p> <p>Online Homework SP Drills</p> <p>Class Five--> Math--> After Charts Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Standard Deviation Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Online Prework Class Six--> Math--> Before</p>
Q1.4	<p>Supplement Home-work Lesson 6</p> <p>Online Homework SP Drills</p> <p>Class Six--> Math--> After Probability Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Solving Quadratic Equations Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Functions Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Patterns and Sequences Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p>

	<p>Online Prework Class Seven--> Math--> Before</p>
Q2.2	<p>MANUAL HOMEWORK Geometry drill : Pg 156-165 Summary 166-167 (2 mins)</p> <p>Supplement Home-work Lesson 4</p> <p>OG Home work Geometry Exercise Page 280-283 Set 2: Discrete Questions: medium: Q-3,11,13 Set 3: Discrete Questions: hard: Q-1,4,11</p> <p>Online Homework SP Drills Class Four--> Math--> After Circles and Parts of Circle Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Triangles & Special Right Triangles Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Shaded Regions & Strange Figures Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Overlapping Figures Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>3D Geometry Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>More Rules about Triangles Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Online Prework Class seven--> Math--> Before Online Prework Class seven--> Math--> Before</p>
Q2.3	<p>Supplement Home-work Lesson 7 Lesson 2(Venn Diagram & Group Grid questions)</p> <p>OG Home work Set 2: Discrete Questions: medium: Q-12 Set 3: Discrete Questions: hard: Q-6,7,10,14</p> <p>Online Homework</p>

	<p>SP Drills</p> <p>Class Seven--> Math--> After Number Theory Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Coordinate Geometry Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Slope Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Equation Of A Line Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Arrangements and Combinations Drills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p> <p>Equation Of A Circle Dsrills Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p>
Q2.4	<p>Online Homework SP Drills</p> <p>SI & CI DRILLS Use Drill Smart to calibrate and complete 3 drills of your respective difficulty level</p>
